SCOZINC CLOSSES FANCAMP INVESTMENTS

Halifax, Nova Scotia, October 6, 2021 – ScoZinc Mining Ltd. (TSX-V: SZM) (“**ScoZinc**” or the “**Company**”) is pleased to announce that it has closed its recently announced private placement and shares for debt transactions with Fancamp Exploration Ltd. (“**Fancamp**”).

ScoZinc’s President and CEO, Mr. Mark Haywood, commented: *“We are very pleased to have closed this significant \$1,300,000 investment by Fancamp, and to have settled our \$250,000 debt to Fancamp at the same time. We welcome Fancamp as a significant shareholder in ScoZinc, with ownership of approximately 13.1% of our issued and outstanding common shares.”*

Fancamp purchased 1,969,697 common shares of ScoZinc at \$0.66 per share for a total purchase price of \$1,300,000. Fancamp’s secured loan to ScoZinc in the amount of \$250,000 was settled by the issuance to Fancamp of an additional 378,788 common shares of ScoZinc at a deemed issue price of \$0.66 per share.

The shares issued pursuant to the private placement and debt settlement are subject to a hold period which ends on February 6, 2022.

CAUTIONARY STATEMENTS

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this news release.

This news release includes certain forward-looking statements which are not comprised of historical facts. Forward-looking statements include estimates and statements that describe the Company’s future plans, objectives or goals, including words

to the effect that the Company or management expects a stated condition or result to occur. Forward-looking statements may be identified by such terms as “believes”, “anticipates”, “expects”, “estimates”, “may”, “could”, “would”, “will”, or “plan”. Since forward-looking statements are based on assumptions and address future events and conditions, by their very nature they involve inherent risks and uncertainties. Although these statements are based on information currently available to the Company, the Company provides no assurance that actual results will meet management’s expectations. Risks, uncertainties and other factors involved with forward-looking information could cause actual events, results, performance, prospects and opportunities to differ materially from those expressed or implied by such forward-looking information. Forward looking information in this news release includes, but is not limited to, the Company’s objectives, goals or future plans, statements, potential mineralization, exploration and development results, the estimation of mineral resources, exploration and mine development plans, timing of the commencement of operations and estimates of market conditions. There can be no assurance that forward-looking statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from ScoZinc’s expectations include, among others, the degree to which mineral resource and reserve estimates are reflective of actual mineral resources and reserves, the degree to which factors which would make a mineral deposit commercially viable are present, the price of zinc and lead, uncertainties relating to availability and costs of financing needed in the future, changes in equity markets, risks related to international operations, the actual results of current exploration activities, delays in the development of projects, conclusions of economic evaluations and changes in project parameters as plans continue to be refined as well as future prices of metals, ability to predict or counteract potential impact of COVID-19 coronavirus on factors relevant to the Company’s business, as well as those factors discussed in the section entitled “Risk Factors” in ScoZinc’s management’s discussion and analysis of the Company’s annual financial statements for the period ended December 31, 2020. Although ScoZinc has attempted to identify important factors that could cause actual results to differ materially, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements.
